

Furnace owners, Energy Auditors (EA), Energy Managers (EM), Equipment Vendors and all stakeholders of furnace based industries may please note that **SEE-Tech Solutions Pvt. Ltd.** has been selected by **USAID** to provide support for establishing **REEC** (Regional Energy Efficiency Center) at Nagpur being centrally placed to catch nationwide service.

REEC (Regional Energy Efficiency Center) is going to start shortly and provide services in demonstrating Energy Efficient technologies for Industrial furnaces and to demonstrate best practices.

All the stakeholders are invited to suggest, comment and send their opinion as to how REEC can deliver in the best possible manner to make its purpose more meaningful. Your comments and suggestions will help us to understand your views, identifying problem areas with respect to furnace operations and efficiency. We request you to propose energy efficient technologies available with you with all its technical details at the following address.

Regards,
Project Co-ordinator REEC.
